What you should know ...

Clothing

In your room you find a bath bag with towels, shower sandals and bathrobe. Please come to your treatment with bathrobe and shower sandals. The wet towels can be left in the Lavender Spa. We refill your bath bag daily with fresh towels.

Tee & snacks

For the duration of your spa stay, we offer you a variety of teas as well as fresh Grander water at the tea bar. As vitamin bombs you can find a basket filled with organic apples and nuts.

Children in the Lavender Spa

Our infinity pool with panoramic relaxation room and the clothed family sauna are there for the whole family. The sauna world in the basement is reserved for adults only (age 14 and older). For kids and teens we put together a variety of massages and facials. Children's bathrobes are available at the reception.

Cancellation

That's too bad! You won't make use of your wellness treatment. Please inform us prior to 5 o'clock the day before. Otherwise we have to charge you 75% of the treatment price.

Important

Please inform us of any health problems or restrictions. Pacemakers, high bloodpressure, surgery, blood thinners, varicose veins, pregnancy, other illnesses, or if you are taking medication.

Penzinghof Individual Treatment „insider tip“

Our body mirrors possible organic and physical imbalances outward through the reflex zones of our skin. Your concerns are individually discussed in detail with our spa therapists and your personal treatment concept is developed. You will then receive a tailor-made treatment with selected oils and essences.

50 min. € 69

Honey Massage

Honey is rich in vitamins, minerals, and enzymes. This massage has a detoxifying, relaxing, circulation-promoting effect, and dissolved adhesions in the connective tissue.

25 min. € 44

Relaxation for the Stomach

Spoil your stomach with warm herbs, which have a calming and antispasmodic effect on your organs. Afterwards follows a light massage that has the function to regulate your bowel and is beneficial for your stomach.

50 min. € 61

Lymphatic Drainage

Rhythmic pressure pulses increase the outflow of tissue fluid through the lymphatic and venous system.

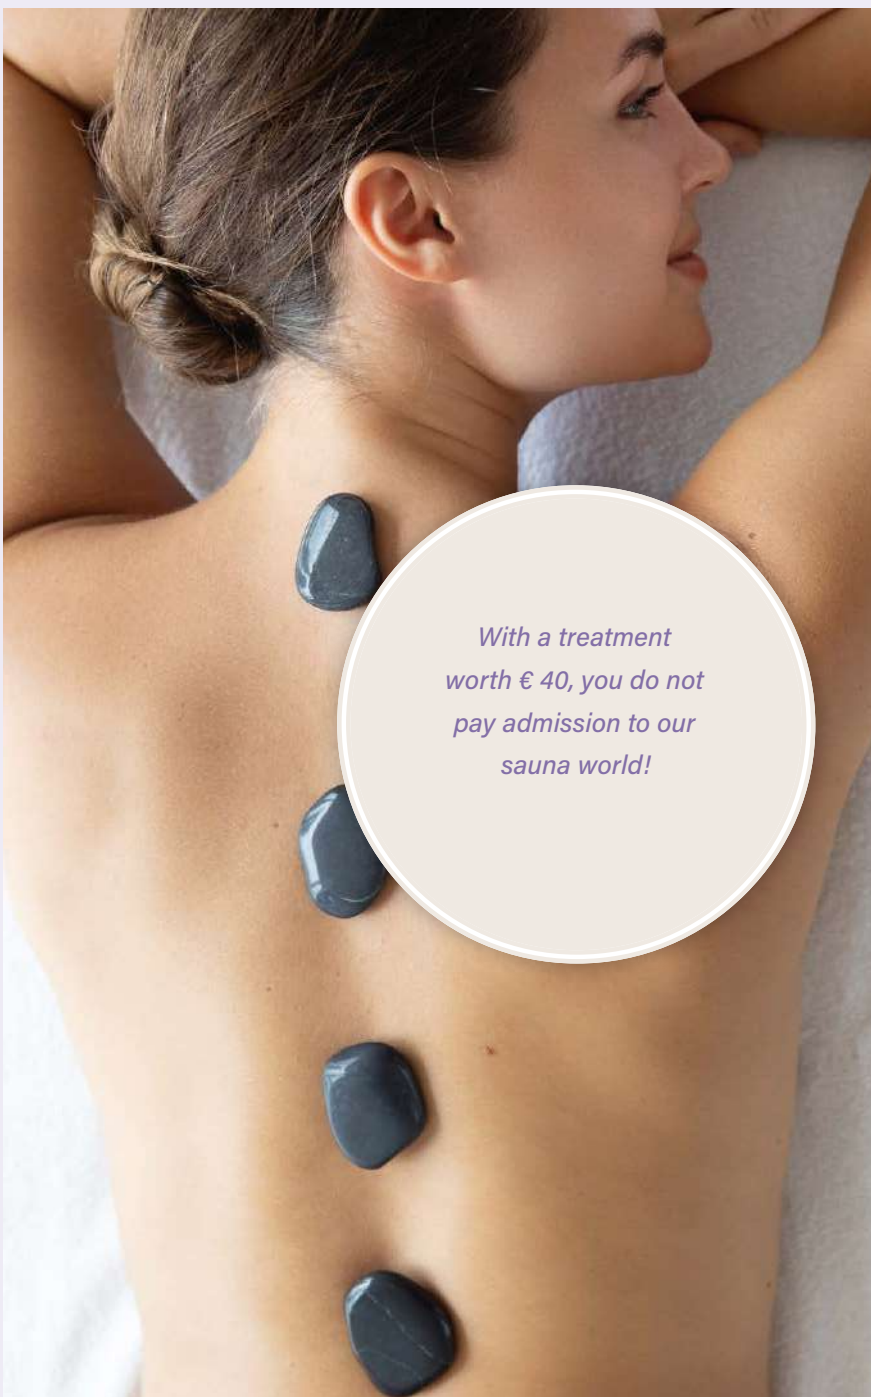

<i>Face, neck, décolleté - 25 min.</i>	€ 42
